Agrarian Trust helps communities collectively acquire, own, and steward farmland for a more just and liveable future.

agrariantrust.org/donate

By sustaining our work, you join a rising tide of farmers, landowners, and communities working to transform land ownership and secure land access for next-generation farmers.

This means prioritizing the needs of farmers historically denied land as we build a future where farmland is not seen as a commodity but as a common good.

2023 OPERATING BUDGET

<table>
<thead>
